

# Swindon Town

## Swindon Town Football in the Community Trust Visually Impaired Football session

We are working with Wiltshire Sight to create new opportunities for Visually Impaired young male adults to be active in sport. By working together our aim is to create a footballing community for people with sight loss locally. We hope to achieve our goal of getting weekly sessions and potential fixtures against other football clubs that also have visually impaired football teams.

### Why Not Get Involved?

For more information please contact Mitchell Coombes on [mitchell@stfca-fitc.co.uk](mailto:mitchell@stfca-fitc.co.uk) or call on 01793 421303.

For more information about Wiltshire Sight you can contact Margaret Hemmings on [mhemmings@wiltshiresight.org](mailto:mhemmings@wiltshiresight.org)
