Peer Support and Information Sessions

At our sessions, you will meet one of Wiltshire Sight's trained Sight Advisers. They can provide information, advice and support on sight loss and how to continue living independently. We will be joined by Optelec who will be demonstrating their products, there will also be an Amazon Dot and Orcam available to try. These events provide an opportunity to discuss experiences with others in a similar situation.

At this session, you will be able to order large print 2018 calendars in different sizes!

Refreshments available.
